BRADFORD GIRLS' GRAMMAR SCHOOL

INSPIRE - SUCCEED - LEAD

Welcome to the 2nd edition of our new newsletter for 2024-25.

We hope that your daughters have had a fantastic start to the term. In this weeks edition there is information on careers, intervention schedule and our enrichment rota which will start this week. We hope that your daughters will take advantage of all the opportunities available to them at BGGs,.

CAREER OF THE WEEK

This week's Career of the Week is Forensic Computer Analyst. Forensic Computer Analysts support clients to secure IT systems and hardware before investigating the breach and may work for the police or security services, a bank, or for an IT firm. A range of skills are required in the role including: excellent IT skills; a creative approach to solving problems; attention to detail and a methodical approach to work. There are over 4 500 jobs available in this field in Bradford with average salaries of £49 000 a year.

ASSEMBLY THEME

Last weeks' assembly theme was 'Excellent Classroom Routines'. Mrs Ali led the assemblies and discussed the following:

What: A culture of excellence Vision – What we want for our girls ...

- Always striving to be the best they can be
- Wanting to improve and reach their potential

Why: How that vision manifests:

- Be leaders
- Be disciplined
- Be proud of themselves and their community

How: Excellent classroom routines:

- Excellent entries
- Excellent Do Nows
- Exceptionally high classroom expectations
- Excellent exits

Year 11 Parents evening

Our year 11 Parents evening will take place Wednesday 9th October between 4pm and 6.30pm

Year 10 Information Evening - a reminder

We are holding an information evening for parents of Year 10 girls on Thursday 3rd October between 3:30pm and 4:30pm. There will be information on the curriculum, exams and how you can support your daughters at home.

Old Girls

We are looking for 'old girls' to work with us to inspire your daughters. If you know any previous BGGs students who would be interested in talking to groups of students about their career journeys, please ask them to get in touch.
