# BRADFORD GIRLS' GRAMMAR SCHOOL

## ASPIRE - SUCCEED - LEAD

It has been a n eventful week at BGGGS as our Y11s worked tremendously hard to strive for excellence in their French and Spanish Speaking exams. They worked tirelessly hard to maximise every mark and showcase their flair and competency in both languages.

Despite the cold weather our girls showed great camaraderie and zest for life as they continue to enjoy lunch on our beautiful grounds, enjoying interactions with teachers and their peers; fostering a real sense of community and joy.

## Uniform at BGGGS

As the cold weather is approaching we would like to remind parents of the expectations around uniform. If the girls would like to wear trousers these would need to be blue.

Black trousers are not permitted. For those who wish to continue to wear skirts, these need to be a blue pleated skirt only.

Our wonderful Y11s showing great perseverance as they seize very opportunity to revise over their lunchtime'

## CAREER OF THE WEEK - DANCER

This week's career of the week is Dancer. Dancers may specialise in a specific form of dance and will spend time rehearsing, going to dance classes , promoting themselves, going to auditions and performing. Some dancers work for a company and have full time contracts. There are over 1500 dance jobs in Bradford and over 340 000 across the UK. On average a professional dancer earns between £29 000 and £33 00 a year.

## Jewellery

We have had an increase of queries regarding what jewellery our girls can wear. Below are the items that are permitted to be worn in school

- A small round plain silver or gold stud in the ear lobes. One pair only
- A small plain round stud in a pre existing nose piercing.

No rings, bracelets or necklaces are permitted.

Any students who are seen wearing any jewellery that does not meet this criteria will have the item confiscated to be collected from the student reception at the end of the day from the student reception.
